## **7.5 SCHEDULE 4: SECONDARY PROCUREMENT**

This Section contains the methods and the criteria that the Procuring shall use to conduct a Secondary Procurement process to select a Service Provider and award a Call-off Contract under this Framework Agreement. No other factors, methods or criteria shall be used other than specified in this Bidding document for the Secondary Procurement process.

### **Secondary Procurement method(s) for Award of Call-Off Contracts**

The Secondary Procurement method(s) that apply to the selection of a Service Provider for the award of a Call-off Contract under this Framework Agreement are]:

- (i) Cascade restricted to the winners of the FA,
- (ii) Direct selection, based on *ex ante* balanced division of services.
- (iii) any other applicable method allowed by the Act and Regulations from time to time

The procedure for the application of the procurement methods outlined under paragraph 1 above are the following.

#### **1.1 Cascade**

The Purchaser will propose the award of Call-off Contract to the first ranked bidder in the primary procurement process holding a Framework Agreement, being the one with the highest total score. If for any reason the first ranked bidder does not accept the Call-off Contract, the Purchaser will propose the award to the second ranked bidder in the primary procurement process holding a Framework Agreement, being the second with the highest total score, and so on, until one of the FA Service Providers holding a Framework Agreement accepts the Call-off Contract. This becomes the method of preference while Direct selection based on *ex ante* balanced division of services is an alternative.

The Purchaser will issue the Call-off Contract according to the conditions set forth in the Framework Agreement.

#### **Direct selection based on *ex ante* balanced division of services**

**Equipment Service Maintenance and Repairs under Framework Agreement  
(DOMESTIC NOTICE)**

**PROCUREMENT REFERENCE NO: MRDC/FAG/EQP01/2025**

---

The Purchaser will rotate the award of Call-off Contracts amongst all eligible Service Providers holding a Framework Agreement, based on a balanced division of services: to the extend work load is feasible

The first Call-off Contract(s) will be awarded to the Service Provider whose Framework Agreement was ranked first in the primary procurement process. The first Service Provider will continue to be awarded Call-off Contracts until the total value/quantity of all Call-off Contracts awarded reaches the upper value/quantity limit.

A second Service Provider, whose Framework Agreement was ranked second in the primary procurement process, will then be awarded the subsequent Call-off Contracts until the total value/quantity of all Call-off Contracts awarded reaches the upper value/quantity limit. And so on.

The Purchaser will issue the Call-off Contract according to the conditions set forth in the Framework Agreement.

## **2. Formation of Call-off contract (to become legally binding)**

The Purchaser shall confirm that the selected Service Provider continues to be qualified and eligible in accordance with Framework Agreement prior to the formation of the Call-off Contract. The Call-off Contract is formed when one of the following conditions are met depending on the method of selection used for the Secondary procurement.

### **2.1 For the cascade method, the Call-off contract is formed when:**

“The Purchaser issues, the Letter of Award of Call-off Contract to the successful Service Provider.” *[add if applicable: “Following the formation of contract, through offer and acceptance, the Purchaser and Service Provider shall sign a Call-off Contract as per the form contained in the Framework Agreement.”]* OR

### **2.2 For direct selection based on ex ante balanced division of services, the Call-off contract is formed when the Purchaser transmits, to the successful Service Provider, the Letter of Award and the Call-off Contract for signature and return.**

### **2.3 The Call-off Contract is signed by both the Purchaser and the Service Provider and the Service Provider shall submit the performance security within the period specified in the Letter of Award. The date that the Call-off Contract is formed, is the date mutually agreed by the parties.**
